[Redacted]
Dear Dick:

STATINTL
Forgive my remiss in not telling you sooner how superbly your office supported my recent trip to Los Angeles. Obviously there had been meticulous planning, and the way your officers carried out the plans was thoroughly professional.

Much of the success of the trip is due [Redacted] for the seemingly effort-
less way they got me to my appointments on time and without a hitch. Having traveled a great deal in the past, however, I know how much effort goes into carrying out a tight schedule in a large city.

STATINTL

Also my appreciation to [Redacted] who took good care of us in Santa Barbara.

STATINTL

My compliments to you and your fine staff and sincere thanks to each of them for their large contribution to a successful speaking tour.

Sincerely,

/s/ Frank C. Carlucci

Also my sincere appreciation to for coming out on very short notice to type my speech. It made my talk before the Commonwealth Club much easier.

My compliments to you and your fine staff and sincere thanks to each of them for their large contribution to a successful speaking tour.

I am embarrassed that so much time has passed without an expression of appreciation to Security for the good support during the West Coast trip. Would appreciate your signing the attached notes to those who worked so hard.

STATINTL

I do not believe notes are necessary to the

since they were more participants than organizers.
